## The Church Calendar for Mar '19-Feb '20 is now available for collection.

### Building Extensions

The Building Committee, with the Board's approval, have been consulting with an experienced church builder to get some detailed plans drawn up, and to have some detailed costings done. We would value your prayers for God's guidance, as well as for you to consider how we will fund this build, and that we patiently bear with the current "squeeze" in the church until the extension is done.

### Church Choir

We are encouraging new people to join our church choir. We will be practising together on Sundays, aiming to start at 12pm after the service, starting next Sunday 17th of February. If you are interested, join us for the first practise session and then chat to the choir leader (Naomi Haynes) afterwards to decide together if the choir is for you. Feel free to ask Naomi any questions!

### Eden Hill Kids Club

The Kids Club that the church runs at Eden Hill Primary School will be in recess for this first term, as some of the leaders will be away during this time. If anyone is interested in helping this kids club team from Term 2 onwards, please see Ian Kirk or Lea Sokolowski.

**Congratulations!** Congratulations to Leigh and Brittany Camilleri, with the birth of their first daughter, Amelia Belle, on 31st January. And congratulations to James and Robyn Hamilton, on the birth of their second grandchild, and Bob Brand, for another great-grandchild.

### Holidays for Ian & Colleen

Pastor Ian would like to let the church know that he and Colleen will be away on a very special holiday to Israel and Jordan from Friday evening the 1st March to Sunday evening the 7th April. They will be exploring Israel with "Friends of Israel", and then spend some time with friends - helping them with some work. Please uphold them in prayer as they continue to plan for their time away, and for Rod and the Elders as they shepherd our church while they are away.

### Mission Murmuring

**Global Recordings Network (GRN)** continue to produce life-changing Christian recordings, in native languages from around the world. GRN had a display at the last AFES Conference, aiming at 3000 students, informing them of the role GRN had over the last 80 years, in modifying and inventing hand-wound audio prayers. "I'm much excited when I listened to the audio. It is very good-we read and explain the Bible in our own language." They tell of a TIBETAN MIRACLE, where three villages, including their chef lama, are now Christian, because of Christian recordings and picture books in the village native language.

**Happy Birthday to those who celebrated last week**, including Moira MacLennan, Maddie Manton and Pam Powell (all on the 12th), and Hannah Errington and Georgia Squire (both on the 16th).
